The **El Paso County Recovery Fund** – launched by the **Woody and Gayle Hunt Family Foundation** with El Paso County, EPISO/Border Interfaith and UpTogether – is providing 245 families in El Paso County with monthly payments to address financial difficulties caused by the COVID-19 pandemic. Families receive an upfront payment of \$1,200, followed by five monthly payments of \$240 from October 2021 to February 2022. This is the second relief effort by the partners. El Paso County has committed \$300,000 to the fund, the Woody and Gayle Hunt Family Foundation \$100,000 and UpTogether \$200,000. EPISO/Border Interfaith connected families in need to the fund.
