The **Woody and Gayle Hunt Family Foundation** has donated \$2.5 million to the **University of Texas at Austin** to support scholarships for students from the El Paso, Las Cruces and Juárez area who choose to attend UT Austin. The university will match the donation, creating a \$5 million fund that will provide opportunities for students from low- and middle-income families. El Paso businessman and philanthropist Woody Hunt is a graduate of the business honors program at the University of Texas Austin. His wife, Gayle, also attended UT Austin, graduating with a bachelor's in elementary education.
